

## NES PTA MEMBERSHIP / ENRICHMENT DRIVE CONTRIBUTION

For a donation of \$10.00 or more, you'll become a member of the school, state and national level PTA. The CT PTA will receive \$5.50 for membership dues. The remainder will go towards helping the NES PTA provide a wide range of educational resources for our students and teachers such as educational field trips, cultural assemblies, books, technology and classroom supplies. Finally, your donation will help us to organize events designed for family fun, community and school spirit building such as our Back to School BBQ and Ice Cream Social. Please note that memberships are for individuals only (not families). Each individual person must pay a minimum \$10 membership fee. Memberships are done ANNUALLY.
