- **Review the main topic from the last meeting:**

- Revisit:
 - There is a facilities report with recommendations and they are allocating funds for different schools. Naramake is not currently on the list but we will continue to advocate to improve our facilities.
 - Dr. Adomowski emailed with David Huvelman to discuss the needs of the facilities and the council.
 - Contacting Norwalk Acts and Norwalk Education Foundation about our needs. (Susan because she has friends on the committees).

- **Discuss the agenda:**

- **Committee Updates:**

- Building Updates:
 - We need a systematic way to report building facility needs.

- Zabar - creating a google form for staff to report school facility things.
 - Grant Updates:
 - We have about \$30,000 requested in grants. The max was requested.
 - More teachers are participating in Donors choose.
 - Digital wish allows us to email requesting donations.
- **Next Steps:**
 - Press for QuadD and advertise that Naramake participated as the first QuadD Lab school in the nation.
 - Brenda Wilcox will be invited to the next Quad D training.
